MAINTENANCE OF STANDARDS

SECTION 1. PROTECTION OF CONDITIONS The Employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement; and the conditions of employment shall be improved whenever specific provisions for improvement are made elsewhere in the Agreement.

If the Manager grants an extension, the employee is required to apply such time to his accumulated sick time.

ARTICLE 33

UNION SECURITY

Membership in the Local Union is not compulsory, membership in the Local Union is separate, apart and distinct from the assumption by an employee of his equal obligation to the extent he receives equal benefits. The local union is required under this agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. The terms of this agreement have been made for all employees in the bargaining unit and not for members of the Local Union.

This agreement has been executed by the employer after it has satisfied itself that the Union is the choice of a majority of employees in the bargaining unit. Accordingly, it is fair that each employee in the unit pay his/her way and assume his/her share of the obligations along with the grant of equal benefits contained in this agreement. In this regard employees may elect to accept one of the following provisions:

1. To become a member of the Union and to pay full dues or
2. Not to be a member but to pay a fair share fee of 80% of current dues as a contribution towards the administration services, attorneys' fees and costs and expenses, including arbitrator's fees and expenses incurred by the Union.
3. Payment to the Union of reasonable fees, including reasonable fees for employee representation services, attorneys' fees and cost and expenses including arbitrator's fees and expenses incurred by the Union. This option is available only to employees hired prior to 7-1-2000.

The Union shall indemnify, defend and hold the employer harmless against all claims and suits which may arise as result of action taken pursuant to this Article and the collection of dues.

ARTICLE 34

The phrase "weeks-worked" excludes any week other than a week in which the employee earned a wage. The employer shall transmit to the D.R.I.V.E. national headquarters on a monthly basis, in one (1) check the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's social security number, and the amount deducted from the employee's paycheck. The International Brotherhood of Teamsters shall reimburse the employer annually for the employer's actual cost for the expense incurred in administering the bi-weekly payroll deduction plan.

SECTION 2. The employer agrees to deduct designated amounts each payroll from wages of those employees who shall have given the employer written notice to make such deductions.
